NONE OF THE ABOVE!

Turnouts at the UK's elections are falling. Since the last General Election one parliamentary by-election saw **less than 20%** turning out to vote!

Our 'professional politicians' say it is because the public are apathetic and couldn't be bothered.

We say it is because they are **disillusioned** by MPs expense scandals, their insensitive attitudes and for being simply 'out of touch'. All good reasons for why people don't want to vote for most candidates or parties.

Well, we believe one way to **increase turnout**, whilst allowing the voters to show disgust at the candidates on offer, is to introduce a 'None of the Above' box on every ballot paper!

If you agree with introducing such a box, visit the *None of the Above* facebook group and join the campaign!

This leaflet has been sponsored by the National Liberal Party (NLP) and is a member of the new Total Democracy (TD) group of 'centrist' political parties, groups and Independents cooperating together to reclaim democracy for the nation.

The NLP supports political reform and would introduce more referendums that lets the people, not the politicians, decide. If you want to find out more please check out the website www.nationalliberal.org or contact via natliberal@aol.com or NLP, PO Box 4217, Hornchurch RM12 4PJ
